Jawahar navodaya vidyalaya, malampuzha, palakkad

ANNUAL REPORT

FOREWORD

It is with immense pleasure; I present a detailed account of, all the activities and achievements of the Vidyalaya during the academic year 2012-2013. The period under report has witnessed a number of significant achievement in different of areas of functioning of vidyalaya. Navodaya Vidyalayas were established by the Government of India in 1986, in a phased manner, as a part of the New Education Policy (NEP) of 1986 to provide good quality modern education, to the talented children of predominantly rural areas, without any consideration to their family's socio-economic conditions. Jawahar Navodaya Vidyalaya, Malampuzha, Palakkad, had its birth in a humble manner in some dilapidated irrigation departments' residential buildings on first November 1988. Ever since its birth, it has hatched out 18 batches and the 19th batch is appearing for CBSE Examinations this year.

It is my bounden duty to express gratitude to Deputy commissioner, Cluster incharge and Assistant Commissioner of NVS, RO Hyderabad for their valuable and strategic guidance. I would like to place on record my gratitude for all the co operation extended by chairman VMC and VAC Sri.Ali Asgar Pasha, Memers of VMC and VAC and other committees, Deputy director Education, Palakkad, Principal's of neighbouring vidyalaya's and PTC. I place on record my sincere appreciation for staff and students for their commitment and hardwork.

INFRASTRUCTURE FACILITIES

This is one area the vidyalaya lags behind compare to other JNV's. The main areas are

1. Shortage of space for junior science lab, maths lab etc.
2. The MP Hall construction is in complete ,it needs a stage, side walls and neat flooring.
- 3.The old dormitories which are CBRI pattern construction needs renovation. Estimate prepared by CPWD is already been forwarded to samiti for fund sanction.
4. The kitchen, store and work area and old mess halls need renovation.For this also estimate prepared by CPWD is pending with samiti for fund sanction.

5. Cables work estimate for 25 KV generator has been submitted to samiti and sanction is awaited.

CONCLUSION

We are guided by the vision of Navodaya Vidyalaya Samiti and our mission is academic excellence and holistic development of every child in this vidyalaya with a sensitive social conscience. We are striving to improve our achievements further and target is hundred percent pass with 100% distinction. This requires concerted and committed efforts from all.

Every individual associated with this institution, be it parent, staff, student are equally important and constructive participation and deep commitment is essential in achieving the institutional goal. The institutional goal is to establish and stabilize quality performance of children in all areas. Any laps from any one corner can / will divert the attention of the whole system. With mutual understanding, respect and trust among staff, students and parents, let us all vow to progress further. With these words of hope I conclude this report.

Thanking you
